At TQI, we have recently introduced micro -greens in our delicacies, the response to which, has been amazing!

Mali Greens is an urban farm in Ahmedabad that grows more than 20 varieties of Microgreens with open pollinated, non GMO seeds using organic materials and zero chemicals.

Their speciality is same day doorstep delivery of freshly harvested microgreens as per your order. They also provide subscriptions of 5 to 7 varieties of microgreens which are delivered every week.

Get in touch with them on : +91 91720 30545
